Electoral Rolls - Provincial Legislature
Revision, 1945 — Additional Staff
Bellary Dt — Sanctioned

From

The Chief Secretary to Government
Public (Elections) Department,

Rc. No. 6157/45 dated 21-9-45.

Sir,

Sub. ELECTORAL ROLLS - Provincial Legislature - Revision 1945
Appointment of additional staff - sanction requested.

Ref:--Government Memo. (Confdl.) No. 729/45-1 dated 4-8-45.
2. This office Ref: C. 6157/45. B.1 dated 3-9-45.

In accordance with the Government Memo. cited above, the staff employed for the revision of electoral rolls in 1941 was appointed this year also. The Government directed therein that Collectors can apply for additional staff if they find the present staff inadequate.

2. The Election Deputy Tahsildar and one peon to work under him have been appointed, as also the Revenue Inspectors.

3. The electoral rolls which were last revised in 1941 consist of merely additions, corrections and deletions to the basic rolls of 1937 as amended in 1938 and 1939. These amendments have not been incorporated in the basic rolls of 1937 and a consolidated list printed as final rolls of 1941. Now these corrections have to be carried out with reference to the numerous additions, corrections and deletions made in 1938, '39 and 41 in addition to the present work of revision and this involves enormous scriptory work. The Deputy Tahsildar has to tour briskly and promptly, issue instructions to the Revenue Inspectors from time to time and review their progress reports periodically. Most of the time of the Election Deputy Tahsildar is taken up in supervision of the work of the Revenue Inspectors and he will not be able to attend to the scriptory work without the assistance of a clerk. The one Lower Division clerk appointed in the Collector's Office and each of the Revenue Divisional Officers' offices will have sufficient work because the Collector and the

pt.o.

Revenue Divisional Officers, being the Registration Officers for territorial and European and Anglo-Indian Constituencies respectively, are responsible for ~~a~~ revision, preparation and publication of the several electoral rolls. Hence their services cannot be spared for the Election Deputy Tahsildar. Further he has to take a clerk to camps as he can then attend to his scriptory work while in camps. In 1937 a clerk was actually given to each Election Deputy Tahsildar. Please see G.O. No. 1556 Public (Elections) dated 14-~~9~~-~~37~~'37. I, therefore, consider A | that the appointment of a lower division clerk with permission to draw travelling allowance as per M.T.A. rules, when he follows the Electn Dy. Tahsildar on camp, is absolutely necessary.

4. Only one peon has been given to the Election Dy.Tahsildar for the present. The Dy. Tahsildar has to secure the presence of karnams and Revenue Inspectors while on tour and has to despatch urgent instructions to them. For the speedy execution of the work the services of an additional peon are quite necessary. A second peon was given to each Election Dy. Tahsildar in 1937 in the G.O~~s~~. quoted above.

5. I, therefore, request that the appointment of a lower division B | clerk and a second peon to work under the Election Dy. Tahsildar for the period for which the Election Dy. Tahsildar is employed may be sanctioned.

The financial aspect of the proposal is given below:

1. Lower Division clerk on Rs.30-55 for a period of 6 months	Rs.180/-
Dearness Allowance at Rs.16/- for 6 months.	96/-
One peon on Rs.12/- for 6 months.	72/-
Dearness allowance.@ Rs.16/- for 6 months	96/-
Total	Rs. 444/-
